

## Why did you click the link?

After all, you know nobody would form a group with a name only Elmer Fudd can pronounce. :-)

On the other hand...

If you're interested in a group to represent the majority of Florida's citizens fed up with unfair insurance subsidies, let me know by contacting me (see below) and/or by sending this post to all your friends and business associates who may be interested in finally standing up for what's right.

Who knows, if we get enough similar minded individuals interested in the possibility of forming a group like FOUITFWCR, maybe we can also come up with a name we can pronounce.

Thanks...now go back to reading the letter from lawmakers.
